from product label instruction. If product shows signs of contamination or separation, discontinue use of the product.

Section 9. Physical and chemical properties

A	Olsay Oal
Appearance:	Clear Gel
Physical state:	Liquid
Color:	Clear to Light yellow
Odor:	Characteristic
Odor Threshold:	Unknown
pH:	5.5-6.5
Melting Point:	N/A
Initial Boiling Point:	Unknown
Boiling Range:	Unknown
Flash Point:	Unknown
Evaporation rate:	Unknown
Specific gravity:	N/A
Flammability:	Unknown
Upper/Lower	Unknown
Flammability Limit:	
Vapor Pressure:	N/A
Vapor Density:	N/A
Relative Density:	Unknown
Solubility:	Unknown
Partition coefficient:	N/A
Auto-ignition	Unknown
Temperature:	
Decomposition	Unknown
Temperature:	
Viscosity:	Unknown
Drop test:	N/A

Section 10. Stability and reactivity

Stability: This product is deemed stable under normal storage conditions.

Reactivity: Unknown.

Conditions to avoid: Extreme change in environmental conditions and introduction of

exterior contaminants.

Section 11. Toxicological information

This is a personal care or cosmetic product that is safe for consumers under intended and reasonably foreseeable use. The product does not contain any known toxins and had not undergone toxicological testing.

Section 12. Ecological information

No known significant effects or critical hazards.

Section 13. Disposal consideration

For household settings: Use original container for disposal.

Disposal guidelines: Do not dispose in sewage, water pathways and drains. Dispose

in accordance with regional, national and local laws and

regulations.

For non-household settings: Call appropriate waste management company for disposal

guidance.

Section 14. Transport information

This material is not hazardous and is safe for transportation by land, sea and air. Always comply with national and local laws during transportation.

Section 15. Regulatory information

Product is compliant with all United State's cosmetics, personal care and drug regulations. Product also complies with global standards set by international regulation bodies.

Section 16. Other information

Notice to readers: The statements contained herein are based upon technical data that Make-up Designory, Inc believes to be reliable, are offered for information purposes only and as a guide to the appropriate precautionary and emergency handling of the product. User should consider these data only as a supplement to other information gathered by them and must make independent determinations of suitability and completeness of information from all sources to assure proper use, storage and disposal of these products and the safety and health of employees and customer and the protection of environment.

Make-up Designory, Inc. makes no representation or warranty of any kind, express or implied, including merchantability or fitness for a particular use, with respect to the information herein or the product to which the information refers.
