Safety Data Sheet

Section 1. Product and company identification

| | |
|----------------------------|---|
| Company | Make Up Designory 28920 Avenue Penn #102 Valencia, CA 91355 (661) 775-3805 |
| Product Name | Eyebrow Cream |
| Shade Name(s) | Ash, Bark, Cinnamon, Straw |
| Book Number(s) | NLC504-139, NLC504-140, NLC504-141, NLC504-142 |
| Poison Control Info | National Poison Control Center # : (412)-681-6669 |

Section 2. Hazards identification

This is a personal care and cosmetic product that is safe for consumer and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available upon request.

Routes of entry: Eye contact, inhalation, ingestion

Inhalation: This product is not intended to be inhaled as it may cause respiratory irritation. Symptoms include: coughing, wheezing and shortness of breath when inhaled.

Ingestion: This product is not intended to be ingested

Skin: May cause skin irritation for some with sensitive skin. Discontinue use of product and consult a physician if itching and redness results after contact.

Eyes: May cause eye irritation for some with sensitive eyes. Symptoms include itching and redness after contact. Please discontinue use and consult a physician for further treatment.

| |
|------------------------------------|
| Acute Toxicity |
| Category 5 |
| LD ₅₀ 2000 < 5000 mg/kg |
| No Symbol |
| Warning |
| May be harmful if swallowed |

KEEP OUT OF THE REACH OF CHILDREN

Section 3. Composition/Information on ingredients

Hazardous components

This product does not contain any known hazardous material under the federal OSHA Hazard Communication Standard 29 CFR 1910.1200

Composition of product mixture: Trade Secret

Section 4. First-aid measures

| | |
|----------------------|---|
| Inhalation: | If respiratory irritation occurs, remove individual to fresh air. |
| Skin contact: | If product causes skin irritation, discontinue use. Seek medical attention if discomfort persists. |
| Eye contact: | If product causes eye irritation, thoroughly rinse affected eye area with water for 15-20 minutes. If discomfort or irritation persists, seek medical attention. |
| Ingestion: | Accidental ingestion of product may require medical attention. In case of accidental ingestion dilute with fluids and treat symptomatically. Do not induce vomiting. Get medical attention immediately if serious symptoms occur. |

Section 5. Fire-fighting measures

| | |
|---|---|
| Extinguishing media: | Use appropriate fire extinguisher. Use Co2, Dry Powder or Foam type Extinguishers, spraying extinguishing media to base of flames. |
| Not suitable: | For oil base products do not use water to extinguish fire. |
| Special exposure hazards for non-household settings: | Promptly isolate the scene by removing all persons from the vicinity of the incident if there is a larger fire. No action should be taken involving any personal risk or without suitable training. |
| Special protective equipment for fire-fighters: | Fire- Fighters should wear appropriate protective equipment and self contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode. |

Section 6. Accidental release measures

| | |
|---|---|
| For household settings: | Absorb or Vacuum spill and scrub the area with detergent. |
| For non-household settings personal precautions: | Do not take any action which causes personal risk without suitable training. Prevent the entry of unnecessary and unprotected personnel. Do not touch spilled material without appropriate protective gear. |

| | |
|-----------------------------------|--|
| Emergency produces: | Evacuate the premises if the spill is airborne or has a risk of combusting. |
| Methods for containment: | Use a damp cloth and place on or around spill to stop further spread. |
| Clean up procedures: | If spill is non-toxic to health and is easily contained, remove spill with Vacuum or sweep up product and dispose according to local regulations. Do not allow product to enter sewers or drainage systems. |
| Environmental precautions: | Avoid dispersal of spill material, runoff, and contact with soil, waterways, drains and sewers. Inform the relevant authorities if the product has caused environmental pollution (sewers, waterways, oil or air). |

Section 7. Handling and storage

| | |
|------------------|--|
| Handling: | Handle in a sanitary manner. Avoid contact with any unintended areas. |
| Storage: | Do not expose product to direct sunlight for a prolong period of time. Avoid dramatic pressure and humidity changes since it may affect the product structure and function. Product must be stored in room temperature conditions. Never store the product passed its expiration date. Make-up Designory, Inc is not liable for any product which has not been stored properly. Keep product out of reach of children. |

Section 8. Exposure controls/personal protection

| | |
|---|--|
| For non household settings Engineering measures: | Only use with adequate light and ventilation. If user operation generates dust, do not use product in confined areas. Keep all airborne contaminants below any recommended OSHA Permissible Exposure Limits (PELs), American Conference of Governmental Industrial Hygienists (ACGIH) Threshold Limit Values (TLVs), and any other exposure limit used or recommended by the state or country. |
| Hygiene measures: | Wash hands before and after handling the product. |
| In household settings: | Read the product label and use as described. Do not deviate from product label instruction. If product shows signs of contamination or separation, discontinue use of the product. |

Section 9. Physical and chemical properties

| | |
|--|--------------------|
| Appearance: | Colored Solid |
| Physical state: | Solid |
| Color: | Various |
| Odor: | Characteristic |
| Odor Threshold: | Unknown |
| pH: | N/A |
| Melting Point: | Unknown |
| Initial Boiling Point: | Unknown |
| Boiling Range: | Unknown |
| Flash Point: | Unknown |
| Evaporation rate: | Unknown |
| Flammability: | Non-Flammable |
| Upper/Lower Flammability Limit: | Unknown |
| Vapor Pressure: | Unknown |
| Vapor Density: | Unknown |
| Relative Density: | Unknown |
| Solubility: | Insoluble in Water |
| Partition coefficient: | Unknown |
| Auto-ignition Temperature: | Unknown |
| Decomposition Temperature: | Unknown |
| Viscosity: | Unknown |
| Drop test: | N/A |

Section 10. Stability and reactivity

| | |
|--|---|
| Stability: | This product is deemed stable under normal storage conditions. |
| Reactivity: | Unknown. |
| Conditions to avoid: | Extreme change in environmental conditions and introduction of exterior contaminants. |
| Possibility of hazardous reactions: | Burning produces carbon monoxide and/or carbon dioxide. |
| Incompatible materials: | Unknown. |
| Hazardous decomposition products: | This product is deemed stable under normal storage conditions. |

Section 11. Toxicological information

This is a personal care or cosmetic product that is safe for consumers under intended and reasonably foreseeable use. The product does not contain any known toxins and has not undergone toxicological testing.

Oral

This product has not been tested.

Inhalation

This product has not been tested.

Dermal

This product has not been tested.

Irritation/corrosion

This product has not been tested.

Skin

This product has not been tested.

Eye

This product has not been tested.

Aspiration Hazard

This product has not been tested.

Carcinogenicity

Information on: Titanium Dioxide

IARC (International Agency for Research on Cancer) has classified this substance as group 2B (The agent is possibly carcinogenic to humans). In long-term studies in rats in which the substance was given by inhalation, a carcinogenic effect was observed. Tumors were only observed in rats after chronic inhalation exposure to high concentrations which caused sustained lung inflammation. In long-term studies in rats and mice in which the substance was given by feed, a carcinogenic effect was not observed. Dermal exposure is not expected to be carcinogenic.

Section 12. Ecological information

Environmental effects:

No known significant effects or critical hazards.

Section 13. Disposal consideration

For household settings:

Use original container for disposal.

Disposal guidelines:

Do not dispose in sewage, water pathways and drains. Dispose in accordance with regional, national and local laws and regulations.

For non-household settings:

Call appropriate waste management company for disposal guidance.

Section 14. Transport information

This material is not hazardous and is safe for transportation by land, sea and air. Always comply with international, national and local laws during transportation.

Section 15. Regulatory information

Product is compliant with all United State's cosmetics, personal care and drug regulations. Product also complies with global standards set by international regulation bodies.

Section 16. Other information

Notice to readers: The statements contained herein are based upon technical data that Make-up Designory, Inc believes to be reliable, are offered for information purposes only and as a guide to the appropriate precautionary and emergency handling of the product. User should consider these data only as a supplement to other information gathered by them and must make independent determinations of suitability and completeness of information from all sources to assure proper use, storage and disposal of these products and the safety and health of employees and customer and the protection of environment.

Make-up Designory, INC makes no representation or warranty of any kind, express or implied, including merchantability or fitness for a particular use, with respect to the information herein or the product to which the information refers.
